

# NORTHSIDE HOSPITAL CANCER INSTITUTE

## BREAST PROGRAM

**BUILT TO BEAT BREAST CANCER**

## Breast Cancer Screenings

Another Community Service Program of Northside Hospital Cancer Institute

As a leader in health care, Northside Hospital Cancer Institute provides mammograms and breast diagnostic services for those who meet specific eligibility requirements. To better serve you, we have imaging centers located throughout Atlanta. Additionally, our ScreenAtlanta mobile mammography van visits multiple sites throughout the Atlanta region on a monthly basis.

### ELIGIBILITY:

- Must be 40+ to receive a screening mammogram (or younger if medically indicated by a physician)
- Must have a written order from your physician

Financial assistance through the Breast Care Fund may be available to those that qualify. For additional information or to determine if you meet eligibility requirements, call 404-531-4444.

The Northside Hospital Cancer Institute gratefully acknowledges the generosity of the following organizations for their support of this project:

**NORTHSIDE  
HOSPITAL  
FOUNDATION**

For questions or information about other screenings,  
please call **404-531-4444** or visit **northside.com/healthscreenings**
